

Rooted in the profound belief in the power of education to transform and empower, we award scholarships for post-secondary education to promising young people.

### Impact

- \$860,000 in post-secondary scholarships granted last year
- Over \$8,000,000 in post-secondary scholarships granted since 2008
- 90% Cmolik Scholars graduation rate

Tina Bulka

The Cmolik Foundation is committed to investing in B.C.'s youth through education.

### Student Scholarship Program

- Since 2008, TCF has awarded over \$5 million in scholarships
- Each scholarship is up to \$45,000 leading to an undergraduate degree from a university or college of the recipients choice
- Eligible to apply for graduate scholarship funding upon degree completion

### Mentor Program

- Partner scholarship students with a mentor
- Provide training resources for mentors

### Expanding Horizons Program

- Provides high impact, high quality learning experiences to broaden the educational aspirations of young people
- Sponsors an annual STEM focused summer camp at SFU Surrey
- Provides mini scholarships to former students in the program

The Cmolik Foundation provided the opportunity for me to find and pursue my passions.

Megan P, Accountant  
UBC Grad 2020

Beyond the financial support, the social support “family” atmosphere with the scholarship is by far the best part about this whole experience.
